HOUSE PARTY!

THE PARTY: A passel of power patrons came together for Ernst Development's latest launch at this gathering of the art smart. THE PLAYERS: Isabel Ernst, joined by Daryl Judy and Kimberly Casey of TTR Sotheby's, put a stellar P street manse on the market, but not before inviting Jill Lubar and Erin Mackay, of The Art Registry, to deck the walls with Warhols, Calder's and the like. THE PARTY: From politicians to those simply in the know, nearly 400 people made their way through the mod manse that evening—leaving a trail of red dots on works of art in their wake. —K.S.S.
