

## MOVING TIPS CHECKLIST

### And Do Not Forget to:

- Empty Freezer: plan use of foods
- Defrost freezer/refrigerator: Place charcoal to dispel odors
- Have appliances serviced for moving (if applicable)
- Plan for special care needs of infants, children, pets, etc.
- Call Cable company and/or leave remote antenna equipment
- Clean rugs or clothing before moving

### And on Moving Day:

- Carry all currency, jewelry and documents yourself (or use registered mail)
- Plan for transporting pets; they are poor traveling companions if unhappy
- Carry traveler's checks for quick, available funds
- Double check closets, drawers, shelves to be sure they are empty
- Leave your old keys (needed by the tenant or owner) with the appropriate person
- Get the name of the driver and give him your contact information. Also review directions to the new.
- Have the final payment for the movers and money for a tip (if satisfied with the job, about \$25/mover is recommended.)
