Washington Fine Properties announced this month that TTR/Sotheby's veterans Kimberly Casey and Daryl Judy have joined the firm. In a statement, the Glover Park-based realtor said it was "delighted that they have decided to join our team at WFP." Casey and Judy have been the top producing team at TTR/Sotheby's for a number of years, and have developed a reputation for working hard, listening well, knowing the market thoroughly and making sure their clients are completely satisfied.

They are licensed across all three jurisdictions and will be working out of the Georgetown Office. Kimberly can be reached at [kimberly.casey@wfp.com](mailto:kimberly.casey@wfp.com) or 202-361-3228. Daryl can be reached at [daryl.judy@wfp.com](mailto:daryl.judy@wfp.com) or 202-380-7219.
